

LOTTERIES FUND

LOTTERIES FUND

Memorandum Note

The Lotteries Fund was established on 30 June 1965 by Resolution of the Legislative Council for the purpose of financing social welfare services by grants, loans and advances. The Fund took over the unspent funds raised by lotteries held under the Government Lotteries Ordinance 1962. Between 1965 and 1975 it received the net proceeds of government lotteries held during those years. The old style lotteries were changed to the Mark Six Lottery in September 1975. The Fund is now mainly funded from this source.

2 Since 1 April 2003, the assets of the Fund have been merged with those of the Exchange Fund for investment purpose. Effective from 1 April 2007, the return on investments with the Exchange Fund has been calculated on the basis of the average annual investment return of the Exchange Fund's investment portfolio for the past six years or the average annual yield of three-year Exchange Fund Notes (updated as three-year government bonds as from 1 January 2016) for the previous year subject to a minimum of zero percent, whichever is the higher.

Disbursements

Head 341—Non-recurrent Grants

3 Provision under Head 341—Non-recurrent Grants is to meet the cash flow requirements of approved non-recurrent commitments and for block grants and minor grants in respect of social welfare services. Grants may also be made from this head towards recurrent expenditure provided that the project concerned is experimental and has a limited duration. Authority to approve expenditure under this head has been delegated to the Director of Social Welfare acting on the advice of the Lotteries Fund Advisory Committee, except that the approval of the Financial Secretary is required for commitments each of \$15 million or above for non-experimental projects; and each of \$4 million or above for experimental projects.

4 Block grants under *Subhead 990 Block grant* are disbursed on an agency basis in respect of its subvented welfare services for the purpose of minor capital works below \$500,000 for each service unit and minor capital expenditure on furniture, equipment and vehicles (excluding purchase or replacement of vehicles) with the cost of individual items not exceeding \$50,000. The Director of Social Welfare is authorised to approve block grants acting on the advice of the Lotteries Fund Advisory Committee.

5 The Director of Social Welfare is also authorised to approve expenditure under *Subhead 995 Minor grants (block vote)* provided it is for minor fitting-out works, renovations and purchase of furniture and equipment costing between \$10,000 and \$400,000 in premises occupied by non-governmental organisations providing social welfare services where these expenditure items are not within the ambit of the block grant.

Head 361—Additional Commitments

6 Provision under Head 361—Additional Commitments is to meet expenditure which may be required during the year in excess of the amounts provided under Head 341, but which cannot at present be specifically allocated or determined with precision. When, from time to time during the year, additional provision is approved under Head 341, an equivalent sum under this head will be deleted unless savings can be identified elsewhere.

2016–17

7 The revised estimate of payments for 2016–17 is \$1,273,633,000, which falls solely under Head 341—Non-recurrent Grants. The revised estimate of receipts for 2016–17 is \$2,141,524,000.

2017–18

8 The estimate of payments for 2017–18 is \$2,827,190,000. It comprises \$2,388,031,000 under Head 341—Non-recurrent Grants and \$439,159,000 under Head 361—Additional Commitments. The estimate of receipts for 2017–18 is \$2,106,237,000.

9 Taking into account the estimated receipts and payments for 2017–18, and the estimated balance of the Fund as at 31 March 2017, there will be an estimated balance of \$22,160,609,000 as at 31 March 2018 available for future payments.
