Aim

The aim is to raise revenue through taxes, duties and fees in accordance with the relevant legislation in a cost-effective manner.

Brief Description

1. This programme involves:
   * establishing the liabilities of taxpayers under profits tax, salaries tax, property tax and personal assessment;
   * processing objections and appeals in relation to tax assessments raised under the Inland Revenue Ordinance (Cap. 112) which involve complicated issues of fact or law, or disputed assessments that cannot be settled by agreement;
   * maintaining an accurate and efficient system for business registration;
   * assessing stamp duty chargeable on assignments, agreements for sale and purchase, leases of immovable property and transfers of shares;
   * examining estate duty affidavits or accounts, and issuing assessments for dutiable cases and certificates of exemption for exempt cases in respect of persons who passed away before 11 February 2006, following the enactment of the Revenue (Abolition of Estate Duty) Ordinance 2005;
   * administering betting duty in respect of horse races, football matches and lotteries; and
   * issuing and redeeming tax reserve certificates.

2. In 2014–15, the Department continued to enhance the quality and efficiency of its services through a wider use of information technology (IT) and streamlining procedures. Under eTAX at GovHK, individual taxpayers can file tax returns, obtain personal tax information, notify changes of personal particulars as well as lodge requests for revision of assessment electronically. They may also select to receive notices and documents related to tax return filing, assessment and tax payment in an electronic form. Electronic filing is available to small corporations and partnerships for their profits tax returns and to employers for annual returns and various notifications in respect of their employees.
To assist taxpayers in understanding their rights and fulfilling their obligations under the Inland Revenue Ordinance, the Department continued to make use of its website and a 24-hour fax system to provide comprehensive information for employers, individuals, businesses and tax representatives. Information on a wide range of topics is also disseminated to the public through GovHK.

Brief Description

This programme involves:

- tax investigation, imposition of penalties and institution of prosecution proceedings to create a deterrent to tax evasion;
- field audit, including site visits and examination of accounting records of taxpayers, and promotion of voluntary compliance with taxation requirements; and
- audit on tax avoidance cases and rejection of unacceptable avoidance schemes so as to uphold the tax base of Hong Kong.

In 2014–15, the Department continued its determined efforts in combating tax evasion and countering tax avoidance schemes. The computer-assisted risk-based case selection programme was used to facilitate the identification of high-risk cases for audit and investigation.

Brief Description

This programme involves the provision of telephone and over-the-counter enquiry services as well as personalised electronic services through the Internet, and the investigation of complaints from members of the public.

To assist the paying public in completing tax returns, the Department extended the service hours of telephone enquiry services in May 2014. Service hours from Monday to Friday were extended by one and a half hours till 7:00 p.m. and additional service was also provided on Saturday from 9:00 a.m. till 1:00 p.m. During peak periods, the Department also redeployed manpower resources and employed part-time staff to strengthen the daytime telephone enquiry services.

# As a result of improved accessibility of tax information through other channels, there is a reduction in the number of counter enquiries.

Matters Requiring Special Attention in 2015–16

22 During 2015–16, the Department will continue to deliver quality customer service and promote the use of electronic services through which taxpayers can file tax returns, obtain their personal tax information and documents, notify changes of personal particulars and lodge requests for holdover of provisional tax and revision of assessment.
