2 The aim of the Secretariat, Commissioner on Interception of Communications and Surveillance (the Secretariat) is to provide support to the Commissioner on Interception of Communications and Surveillance (the Commissioner) in overseeing the compliance by law enforcement agencies (LEAs) and their officers with the relevant requirements under the Interception of Communications and Surveillance Ordinance (Cap. 589) (the Ordinance).

Brief Description

3 The Commissioner is appointed by the Chief Executive (CE) as an independent oversight authority to discharge the following functions under the Ordinance:

- conducting reviews on compliance by LEAs and their officers with the relevant requirements under the Ordinance;
- carrying out examinations upon applications from persons who suspect that they are subjects of interception or covert surveillance carried out by LEAs;
- submitting annual reports to the CE which will be tabled at the Legislative Council, and any further reports on matters relating to the performance of his functions under the Ordinance; and
- making recommendations to the Secretary for Security on the code of practice and to the heads of LEAs on changes to any arrangements made by the respective LEAs to better carry out the objects of the Ordinance or the provisions of the code of practice.

4 The Secretariat assists the Commissioner in developing and implementing the procedures for overseeing the compliance by LEAs and their officers with the relevant requirements under the Ordinance, and in co-ordinating with the Security Bureau, LEAs and the Panel Judges’ Office (PJO) in order to ensure the smooth functioning of the regime under the Ordinance. It also provides support to the Commissioner in processing applications for examination and in performing the review function which includes vetting the weekly reports, checking device registers, conducting visits for checking purpose, and investigating cases of non-compliance. The Secretariat also assists the Commissioner in the compilation of the annual report to the CE and in the formulation of recommendations to the Secretary for Security and the heads of LEAs to improve the arrangements in place for the better operation of the Ordinance.

5 In 2022, the Secretariat met its targets and objectives. The annual report of the Commissioner for 2021 was submitted to the CE in June 2022.
